Danny Goldberg In 30 Seconds:

Danny Goldberg is a keynote speaker. Before building and selling a thriving supply chain agency, Danny Goldberg developed the world's most protective athletic cup used by 95% of the UFC Fighters, Mark Zuckerberg, Joe Rogan, and more. In college, he won \$50k+ in business plan competitions for his boxing glove business which he ultimately sold at 21. Danny has helped several start-ups and Fortune 500 brands build best-in-class supply chains. Danny's passion for sales and curiosity in building startups have led him to working with brand's like Traeger, Gravity Blankets, Birchbox, FabFitFun, and more. Where he goes, Danny Goldberg brings his positive energy and passionate speaking style to help business leaders lead and live with more intention.

Intentionality and work-life harmony are key elements in Danny's life because of his personal journey. By Danny's 25th birthday, both his parents passed away from rare cancers.

Through his loss he learned the power of intentional living and the importance of prioritizing the life you want "someday" today.

Through Keynote Speaking, he helps others envision and embrace their "someday life" before "someday" passes them by.
